### **How to find us?**

The CIPH is about one and a half kilometers to the north from the centre of Zagreb. You can take tram line no. 14 from the main city square (Ban Jelačić Square, 4 stops, approx. 10 min) or line no. 8 from the central bus station (8 stops, approx. 20 min).

[https://www.google.com/maps?f=q&source=s\\_q&hl=en&geocode&q=Rockefellerova+7+Zagreb+10000+Hrvatska](https://www.google.com/maps?f=q&source=s_q&hl=en&geocode&q=Rockefellerova+7+Zagreb+10000+Hrvatska)

**Airport bus Zagreb Airport:** The airport bus is parked outside the main arrival terminal (You can't miss it). The trip with the airport bus to the main bus station, takes about 30 minutes, at the main bus station, you have tram connection to the city centre and the train station. You can see departure times from Airport to city centre here PLEASE note that after 8 pm, you have buses leaving shortly after arrival of scheduled flights. If you are travelling from main bus station to the airport you can find the schedule here. Price for a one way ticket with the airport bus is 35 kuna.

### **Currency and credit cards**

The official currency in Croatia is the Kuna. Foreign currency can be exchanged in banks, exchange offices, post offices, most travel agencies and at the reception of hotels, camps as well as in marinas.

The most used cards are: Eurocard/Mastercard, Visa, American Express and Diners. They are accepted at most hotels, restaurants and shops, as well as at ATM's and commercial centers.

### **HOTEL ACCOMODATION**

### **Hotel Sheraton**

Sheraton Zagreb Hotel is among the most comfortable hotels in Zagreb. It is surrounded by a large number of art galleries, museums and concert halls, and an array of shops, offices and key government institutions. All of the above makes this Zagreb hotel the perfect choice for guests from the business world, as well as all those who have come to Zagreb on vacation.

### **Recommendations for entertainment in Zagreb (nearby proposed hotels and nearby CIPH):**

On web page you can find lot of useful information and ideas how to explore Zagreb <http://www.infozagreb.hr/about-zagreb/basic-facts>

### **Recommendations for different entertainment typical for Zagreb**

**1. The Upper town witches** - tour takes you through the Upper town and its interesting locations with a costumed guide. Through our fun program, get to know the “dark” side of the city from the Middle ages onward. We combine the legends about witches, real practices and historical events that stand behind them. You will have the opportunity to experience the practice of our modern witch “on your own skin”. <http://zgc.hr/en/>

**2. Museum of Broken Relationships** is a physical and virtual public space created with the sole purpose of treasuring and sharing your heartbreak stories and symbolic possessions. It is a museum about you, about us, about the ways we love and lose.

<https://brokenships.com/>

**3. Museum of illusions** explore the world of illusions and experience the impossible <http://muzejiluzija.com/en/naslovna/>

### **DID YOU KNOW...some interesting facts about Croatia**

... that in 1906 the Croat S. Eduard Penkala invented and patented the first real pen and first fountain pen.

... that the tie is a Croatian invention. In the 17. century the Croats made it a costum to put a piece of textile around the neck as a detail of fashion.

... that in four places on Veliki Brijuni were found more than 200 footprints from dinosaurs.

... that around the Arena of Pula was fastened the biggest tie in the world. It was 808 meter long and at the lower part of the tie 25 meters wide.

... that UNESCO and the Croatian government proclaimed the year 2006 that of Nikola Tesla. In 1882 Tesla discovered the principle of the rotating magnetic field. With his ingenious discovery he enabled the creation of the first electromotor running with alternate current.

... that Croatian islands hide a lost world of living fossils. In caves of Hvar and Korčula were found new types of very small lobsters, survived examples of species that died out long ago.

... that Croatia is the homeland for protected and endemic types of plants.
